

Dear Hiring Manager:

As a computer science graduate and a senior full stack engineer with 9+ years of experiences, I was elated to see your new job position.

My recently-finished contract experience has shaped my code and website development knowledge in advanced level, and I know I am pretty good at Full Stack Web Technologies including React, Angular, Node.JS, ASP.NET and Typescript which might be help your company succeed.

I would enjoy an opportunity to chat about your upcoming projects or company missions and share with you how my achievements can be replicated and improved here.

Sincerely,
Alex
